Ex. 6 PII

Hi Kim and Company,

EPA has been invited to the Regional Vision Summit on November 3 and 4 in Dillingham. I am trying to make plans that would include that meeting as well as the one you invited me to though I am not sure if that meeting has been finalized yet. Would you please let me know so I can firm things up at my end.

Thank you.

Hi Rick and Palmer - Is this forum on either or regional or the HQ radar screen? If not, should I follow up? This message was in the in-box that receives all of the mass e-mails that are addressed to Lisa Jackson and then forwarded to us.

Thanks, Judy

Greetings!

I hope you received our invitation to the Bristol Bay Regional Vision Summit in Dillingham and are considering joining us.

Because of the amount of content for presentation and conversation, we have just expanded the summit agenda to include the morning of Nov. 4 (in addition to the day of Nov. 3 originally scheduled). We're working on plans for dinner and festivities the evening of the 3rd, and we hope you will be able to join us for the entire event. We plan to conclude by 1 pm on the 4th.

if you haven't RSVP'ed, please do so to me by October 13.

We'll provide a more detailed agenda to attendees as we get closer, but you might find a visit to our project website useful in the meantime. Full results of all community meetings are presented there, along with the Vision and summary information about the project and results: www.bristolbayvision.org.

Thank you, I hope to see you in November!

Jessica
